January 26, 1972

HELEN F. BRADLEY
ARTHUR H. SAWYER
MILTON P. WOOD
Trustees

REPORT OF THE FIRE DEPARTMENT

You, the people of Atkinson, are to be commended for your fire conscious attitude. The year 1971 went good for 11 months. We had 3 car fires, the usual grass and wood fires, and burning complaints were very few.

Then came the months of December and January when there were five house fires, one after the other. It was here where the men of your fire department came shining through. All the hours of training and working, week after week, paid off. These men are fine fire fighters in every sense of the word. You, the people of Atkinson, should be proud of them, I sure am.

I take this time to thank all the Red Network women that take your calls for help and then call out the men to your aid. Read the list of names under your fire department and the next time you see one of them, let them know that you are proud of them, as I am, by saying "Hello."

DONALD MURPHY
Fire Chief

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

LEST WE FORGET - IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds, but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947, nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.
4. Most important - instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year, 1971, was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned - 1971 season:

STATE	463 fires	160 acres
DISTRICT	101	61
TOWN	6	0

RALPH STEVENS
District Chief

DANIEL W. STEWART
Forest Fire Warden

REPORT OF THE POLICE DEPARTMENT

The year 1971 was a very active and interesting one for the personnel of the department. Mrs. Robert M. Conley, one of our five operators, was given the title of Clerk. For three and one half years, Mrs. Conley has been keeping a daily log of all calls coming in over the Police Emergency Phone with the help of the other operators.

This provides us with valuable information. Examples: What days, how many hours, what time of day or night do we need a cruiser on the road for traffic problems. The time of year to extend our patrols. The time of year to have extra patrol hours. The time of day or night to be alert to problems such as accidents, house breaks and vandalism. Only with the excellent cooperation of all residents are we able to determine these facts.

Your calls to let us know when you will be away so we can patrol your property when it is most important to you. Your continuing efforts to let us know when you see something, or someone that arouses your suspicion, whether it be a car you see too often that does not belong on your street, or a person in your neighborhood that does not belong there. Only with your continued cooperation can we do a better job for you.

The Police number is 5536. If you are making an emergency call, please speak slowly. State your name, your phone number, your address, and your complaint. If you live on Main Street, state left side or right, how many houses from a side street, or village store, Post Office, etc. If you live on a side street, please do the same. Open your front storm door, extra lights, anything that will save officers from wasting minutes trying to find you.

I feel in our problem areas, we are about equal to last year. I do not feel, however, that our problems will decrease. This past year, we used Radar for the first time. We will this year. We again will have to rent one. Next year, we hope to have one of our own. We would like to remind you that we are the first Town over the border. The cars come off route 495 at 80 miles an hour and try to come through our Town at 60 and 65 miles an hour. This has got to stop, and the only way to control this problem efficiently is by Radar.

The following information and explanation is submitted to better inform you of how the Police Department has worked for you during the year 1971.

Total number of man hours - two thousand, five hundred and nine (2,509).

TOWN WARRANT
BUDGET

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Atkinson, in the County of Rockingham, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall on Tuesday, the 7th day of March next at ten o'clock in the forenoon, and close not earlier than seven o'clock in the evening to act upon the following subjects:

1. To choose all necessary Town officers for the coming year.
 2. To see if the Town will vote to adopt the amendments to the zoning ordinances as proposed by the Planning Board. (By ballot)
1. Are you in favor of the amendment to the Building Regulations Section of the Zoning Ordinance (3A) by deleting the words "said alterations" as proposed by the Planning Board being adopted for this town?

Section 3A shall read: "Any person, persons, partnership, or corporation intending to construct a new building or to make structural alterations, to exceed \$500 in value, shall first make application for a permit on applications obtained from the Building Inspector.

2. Are you in favor of a new Article IV to the Building Regulations Section of the Zoning Ordinance to read as follows, as proposed by the Planning Board being adopted for this town?

Fee Table for Building Inspections

Residential

Value \$500 to \$1000	Fee	\$ 5.00	75%
Value \$1000 to \$10,000		\$10.00	75%
Value \$10,000 to \$15,000		\$ 1.00 per thousand	75%
Value \$15,000 and up		\$ 1.00 per thousand	
		with a minimum of	
		\$11.25 to be paid to	
		Building Inspector	60%

Percentages indicated will be paid to Building Inspector

Commercial

Value to \$50,000	Fee	\$ 50.00	25%
Value to \$100,000		\$100.00	25%

Percentages indicated will be paid to the Building Inspector. The Building Inspector shall obtain expert assistance for all electrical and/or other inspecting on all commercial buildings and fees for this shall be assumed by the Town.

3. Are you in favor of the amendment to the Zoning Ordinance (X-A), Power of the Board of Adjustment, by adding the words "or sideline" as proposed by the Planning Board being adopted by this town?

Section X-A shall read: Waive the Residential District frontage or sidelines requirement where there are unusual conditions. In such cases, however, the average width of the lot shall be equal to or greater than frontage requirement.

4. Are you in favor of the amendment to the Zoning Ordinance (VI-A, Area 6), by adding "Maximum size floor area of efficiency apartments shall be 450 square feet as proposed by the Planning Board being adopted by this town?

Are you in favor of the amendment to the Zoning Ordinance (VI-A, Area 6), by adding "Minimum size floor area of efficiency apartments shall be 350 square feet as proposed by the Planning Board being adopted by this town?

5. Are you in favor of deleting Article VII, Seasonal Residential District, in its entirety as proposed by the Planning Board?

Article VII reads:

The following shall be permitted in the Seasonal Residential District:

- A. Any use permitted in the General Residential and Agricultural District under the same provisions as apply to the residences in that district.
- B. There shall be between the edge of the nearest right of way and the extreme front of any building a yard having a minimum depth of twenty (20) feet.
- C. No building shall be located within ten (10) feet of the side or rear property line.
- D. Frontage. Each lot shall have a frontage of at least one hundred (100) feet.
- E. Minimum land area. No lot shall be less than ten thousand (10,000) square feet.

6. Are you in favor of an amendment to the Zoning Ordinance Article VIII to read as follows as proposed by the Planning Board being adopted by this town?

Article VIII shall read "Any non-conforming use of land, building lot, or buildings may continue in their present use except that such non-conforming use shall not be changed, extended or enlarged except by special permit of the Board of Adjustment. A discontinuance of one (1) year shall void the permit.

7. Are you in favor of an amendment to the Building Regulations Zoning Ordinance by inserting the following Certificate of Occupancy clauses as proposed by the Planning Board being adopted by this town?

Section 5-2 Certificate of Occupancy

- 5-2.1 The following shall be unlawful until a certificate of occupancy shall have been applied for, and issued by, the Building Inspector.
 - 5-2.1.1 Occupancy and use of a building hereafter erected, structurally altered or moved, or any change in the use of the existing building.
- 5-2.2 No certificate of occupancy shall be issued for any special exception use of a building unless such use has been authorized by the Board of Adjustment. Every certificate of occupancy for which a special exception use has been authorized, or in connection with which a variance has been granted by the Board of Adjustment, shall contain a detailed statement of such special exception use or variance and of any conditions to which the same is subject.
- 5-2.3 Application for a certificate of occupancy for a new building or for an existing building which has been altered, shall be made on forms provided by the Building Inspector, after the erection or alteration of such building or part thereof has been completed in conformity with the provisions of this ordinance or of any duly secured variance. Such certificate shall be issued within 10 days after receipt of said application, but only if all requirements of this and all other applicable ordinances or codes are complied with.
- 5-2.4 Every certificate of occupancy shall state that the building or proposed use of a building complies with all provisions of law, and of this ordinance, of all other applicable codes or ordinances of the Town and, if applicable, with all provisions of any variance or requirements set forth for the special exception uses authorized by the Board of Adjustment.

5-2.5 Upon written request by the owner, and upon payment of such fee as may be prescribed from time to time, the Building Inspector shall, after inspection, issue a Certificate of Occupancy for any building or use thereof, existing at the time of adoption of this ordinance, certifying the conformity of such use, (including, if applicable, the number of employees), and of any structures or any lot with the provisions of this ordinance.

8. Are you in favor of the adoption of amendments to eliminate from Article VI, Area 3, that land in the north-west section of town bounded by Route 111, the Salem line and an imaginary line running between intersection of Route 111 and Island Pond to the Westside Drive and Salem line from industrial zoning back to residential zoning? Not recommended by the Planning Board.

Are you in favor of the adoption of amendments to eliminate from Article VI, Area 4, that land running parallel with Providence Hill Road, Salem Road and the Salem-Atkinson border line from industrial zoning back to residential? Recommended by the Planning Board.

Are you in favor of the adoption of amendments to eliminate from Article VI, Area 5, that land running parallel with the southeast side of Salem Road, also known as the Sawyer Farm, from industrial zoning back to residential. Recommended by the Planning Board.

Are you in favor of the adoption of amendments to eliminate from Article VI, Area 6A, that portion of Area 6, northwest of and including the land of Dinsmore and all the remaining area along Main Street and Sawyer Avenue, from industrial zoning to residential. Recommended by the Planning Board.

3. To see if the Town will vote to authorize the Selectmen to administer or otherwise dispose of any real estate by tax title or otherwise, either by bid or by public auction, providing that if such property is to be sold at public auction, then the same shall be advertised fifteen (15) days in advance of sale with notice thereof posted in three public places. (Submitted by Selectmen)

4. To see if the Town will vote to cancel the existing option on land owned by Ruth and Ralph Sawyer, located on Main Street and Sawyer Avenue, known as Area 6 on the Industrial Map. (Submitted by request)

5. To see if the Town will vote to raise and appropriate the sum of Forty-Five Thousand Dollars (\$45,000) to implement the exercise of those rights and powers of cooperation with and assistance to the Town of Atkinson Housing and Redevelopment Authority, as conferred by N. H. R. S. A. c. 203 and c. 205, by means of agreements for the purpose of constructing a water hole, pumping station, drainage ditches and necessary water lines within the Project Area No. 6, and to raise the same by the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act. Chapter 33 of the R. S. A. as amended; to authorize the Selectmen to so issue and negotiate said bonds or notes in the name of and on the credit of the Town, said Selectmen to have the discretionary powers described in Section 8 of said Chapter 33 in respect to said notes or bonds. (Submitted by Atkinson Housing and Redevelopment Auth.)

6. To see if the Town will vote to raise and appropriate a sum not exceeding Twenty-eight Thousand Dollars (\$28,000) for the purpose of constructing the following Class V roads within the Town; Governor Wentworth Drive and Colonel Atkinson Drive, such sums to be raised through issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, as amended, and to authorize the Selectmen to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town of Atkinson. (Submitted by the Atkinson Housing and Redevelopment Auth.)

7. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars (\$100) for the purpose of placing "Welcome to Atkinson" signs at the town lines of Route 121. (Submitted by the Atkinson Historical Society)

8. To see if the Town will vote to establish the salaries of the Board of Selectmen as follows: Chairman to be increased from \$500 to \$700 per year, other two members from \$400 to \$600 per year and to raise and appropriate funds for same.
(Submitted by Selectmen)

9. To see if the Town will vote to raise and appropriate the sum of One Thousand One Hundred Seventy Dollars (\$1,170) for the development and maintenance of the Recreation Area.
(Submitted by Atkinson Recreation and Conservation Comm.)

10. To see if the Town will raise and appropriate the sum of Ten Thousand Four Hundred Thirty Dollars (\$10,430) to build a Town Garage at the rear of the Town Hall.
(Submitted by Selectmen)

11. To see if the Town will raise and appropriate the sum of Three Thousand Seven Hundred Eighty Dollars (\$3,780) to purchase an automatic in-body sander.
(Submitted by Selectmen)

12. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Two Hundred Dollars (\$7,200) toward the complete revaluation of taxable property, with the balance to be raised next year.
(Submitted by request)

13. To see if the Town will raise and appropriate the sum of Two Thousand Nine Hundred Dollars (\$2,900) to pay the salaries and mileage for regularly scheduled daytime police patrols in the Town. This article is submitted to provide police patrols during a time when the incidence of thefts and breaking and entering is increasing and for which the current budget does not adequately provide.
(Submitted by Police Study Steering Comm.)

14. To see if the Town will vote to adopt the enabling act for the Conservation Commission under the provisions of R. S. A. 36A.
(Submitted by Selectmen)

15. "To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved."
(Submitted by Selectmen)

16. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations for the same.

17. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to hire such sums of money as the Town will need in anticipation of taxes.

18. To hear the reports of the Town Officers and committees, act on the same and transact any other business that may legally come before the meeting.

Given under our hands and seal, this twenty-first day of February in the year of our Lord, Nineteen hundred and seventy-two.

 Budget Committee

Total number of miles travelled - nineteen thousand, seven hundred and eighty one (19,781). Man hours include the Chief and Deputy Administration, Investigations and Special Patrols, Regular Patrols, Complaints, Accidents, House Breaks, Radar and Court hours for Traffic violations and Complaints.

Our Blue Network telephone system handled a total of two thousand, four hundred and twenty one (2,421) calls from residents. The Clerk made seven hundred and forty one (741) calls pertaining to Police Business and Complaints. We had a total of three hundred and seventy two emergency complaints needing one or more Officers immediately. Three hundred and twenty three complaints, one third needing Officer follow-up.

Accidents: 27 with cars totaled - People hurt, 4 of these needing ambulances.

16 Minor

3 Hit and Run

46 Total reported

33 of these accidents needing one or more Officers

House Breaks: Breaking and Entering - 23 with Articles taken.

12 with nothing taken.

4 Stolen Bikes, 2 Recovered

6 Articles taken from Private Property Outside

5 Lumber Stolen from Building sites

50 Total

30 of these calls needing Officers' Investigation

Cars Stolen and Recovered - 3

House Breaks and Robberies increased by ten: Accidents by six over last year.

We feel through the combined effects of the Fire and Police Departments in giving the Party at the Academy for our young people, helped a great deal in reducing our problems at Halloween time.

In conclusion, to each and every member of the department, my sincere thanks for their loyalty and devotion to duty. For the many hours as part-time men, they keep themselves available without pay to assure all of us they are here when you need them.

Respectfully submitted,

WILBUR R. MOODY
Chief of Police

POLICE STUDY STEERING COMMITTEE

As a result of action taken by the Town at last year's Town Meeting, the Board of Selectmen appointed a Steering Committee to prepare an Implementation Plan for the establishment of a full-time Police Department in the Town. The committee consists of the following members:

Alan D. Benger
Charles D. Earley
Frank L. Pallaria
Habib W. Habib, ex-officio

Your Steering Committee has begun an investigation program to determine answers to the following:

1. What minimum qualifications must a full-time Chief satisfy?
2. How many Police Officers (full-time and/or part-time) will be required?
3. What capital equipment will be required?
4. How will personnel be hired or fired?
5. What will be the recommended salary levels and the requirements for advancement?
6. What is the most cost-effective implementation schedule?
7. What Federal Programs should we utilize to assist us?
8. What will be the cost of the Plan - start-up and sustaining?

As a result of these studies we expect that other pertinent questions will be raised, studied and answered in an effort to insure that as many criteria as possible are considered by the Committee.

It is not expected that this Committee's work will be completed and an Implementation Plan formulated until the end of 1972. At that time it is expected that Public Hearings will be held.

REPORT OF THE HIGHWAY DEPARTMENT

During the past year - 1971:

Catch basins and culverts were cleaned. The culvert on Salem Road, beyond Pettingill Farm, was replaced. The old stone one had collapsed. The culvert on upper Maple Avenue, near Joseph Mackie's, has been replaced. A new two foot one installed. This has taken care of the flooding problem there.

Approximately four and one half miles of town roads have been re-surfaced. A piece of Providence Hill Road was rebuilt (from Sawyer's Pond to Walker Road). This was done under T.R.A. (State Road Aid) Funding.

Brush was cut only along the school bus routes due to our tight budget. Dead trees were taken down on the Common by Rockwell School. Stumps were removed by the chipper on Maple Avenue and Sawyer Avenue.

New equipment bought this past year: one new 11' snow plow. To date, we have used over 200 Ton of salt on our roads. When possible, we have hired a sander from various surrounding towns. Sand costs \$1.75 per Ton - Salt costs \$13.50 per Ton.

With our own sander, we can save money while doing an equal or better job. Labor costs would be much lower. The savings on salt alone would pay for the sander in three years. There is the environmental side to be considered also. I hope serious consideration is given toward the purchase of an automatic sander.

I wish to express my appreciation to the Townspeople for their cooperation during the past year.

Respectfully submitted,

DANIEL W. STEWART
Highway Agent

REPORT OF THE KIMBALL PUBLIC LIBRARY

During the past year, the Board of Trustees and Librarian met periodically. The meetings were held at the Kimball Public Library and were called at the request of the Chairman of the Board, Mrs. Dyke.

Mrs. Dyke and Mrs. Reynolds have attended various meetings held throughout the state in the past year. The information brought back has enabled the Board and the Librarian to keep abreast of the latest developments and help to continue to provide the best possible library services to our community.

In this last year, we have added a new magazine rack to better display the many fine periodicals available at the library. We have added new storage shelves in one of the other rooms in the library so that we may keep more back issues of periodicals to provide a better backlog of resource material for our patrons.

We are very grateful to some of our fellow townsmen who have been most generous in making individual contributions to the library. Gifts of cash, newspaper and magazine subscriptions were much appreciated.

Many new books have been purchased this year and we continue to maintain the periodicals enjoyed by so many of the people. We place several book orders during the year and we always welcome suggestions and ideas from the community at large. We hope this year to encourage the further use of films and records.

The State Library has an excellent collection of films and any organization can borrow these by contacting your librarian. We have received as a gift, recordings from the R. C. A. Record Company to be used as a circulating collection.

We purchased 388 new books, and our circulation for the year 5,095. The Bookmobile has been here three times and left 1,620 books, the State Library furnished 87 non-fiction by special requests.

Last year, we asked for an increase in our budget and we are doing the same thing this year. We found that with increased costs in labor and materials that the increase in funds merely enabled us to continue to purchase at the same rate as last year. This year, we are going to continue to add the number of books that are available and also try to increase the number of hours that the library will be open to the public.

It is with these thoughts in mind that we ask you once again to continue your support of the library and, most important of all, avail yourself of the many excellent books and services.

Treasurer

REPORT OF THE PLANNING BOARD

The Planning Board has met monthly throughout the year. The fourth Thursday of the month is our regular meeting night. As the town grows, the number of plot plans increase and more and different problems arise, keeping us quite busy this year.

The New Hampshire Water Supply and Pollution Control Commission requires first approval of all plot plans and percolation tests on such. This has to be done before the plans are brought to the Planning Board. This approval usually takes at least three weeks. If you are planning to subdivide, please be advised of the time involved. This does not eliminate the necessity of Town approval of all plot plans and percolation tests on each lot.

Again this year, we are making amendments to the Planning and Zoning Laws which we hope will benefit and upgrade the Town.

Rockingham County has recently hired a professional Planner to help each town individually and collectively with their Planning and Zoning problems. We have had one meeting at Brentwood, N. H. with members of the Planning Boards of other towns in the County and it is not surprising to find a great many of our problems are common throughout the country.

We are also fortunate to be able to call on Mr. Harry Weinroth at any time. He and his staff of professional planners have been working closely with the Regional Planning Boards and he has been most cooperative with us.

We would like to thank Mr. Peter R. Perri, our Building Inspector, and also Mr. James F. Grimes, our Town Engineer, who have attended our meetings regularly and have made our work easier by their close association of Departments.

Respectfully submitted,

MAURICE R. COLLINS
Chairman

REPORT OF THE BUILDING INSPECTOR

Atkinson is still growing and at an ever-increasing rate. There were forty-two building permits issued for the construction of new homes this year, as compared with 29 last year, an increase of 45%.

The estimated value of the permits issued in 1971 was \$1,165,325, an increase of \$405,775 or 53.5% over last year. When adjusted by 75%, our approximate assessed to equalized ratio, a growth of \$870,000 should show up in our 1972 valuation.

A breakdown of permits issued in 1971 follows:

<u>Construction</u>	<u>Est. Value</u>
42 New Homes	\$1,062,100
11 Additions/Alterations	21,000
2 Barns	5,500
1 Riding School/Barn	20,000
7 Swimming Pools	10,725
3 Garages	6,000
1 Store (not constructed yet)	25,000
<u>1 Industrial Building</u>	<u>15,000</u>
67 TOTAL VALUE	\$1,165,325

Respectfully submitted,

PETER R. PERRI
Building Inspector

REPORT OF THE HEALTH OFFICER

The town Health Officer reports another reasonably healthy year insofar as communicable disease was concerned.

In the last meeting of the State Legislature a modification of the existing law relative to Sanitary Disposal systems was passed and engrossed. This modification requires all Sanitary Disposal (septic tanks and leach fields) to have approval by the Pollution Control in Concord. Also as part of the local regulations, all such areas need approval by the local Health Officer or his assistant prior to the issuance of a Building Permit. The Health Officer has found in several instances that the State approval has been inadequate to the proper continued use of such utilities.

The Health Officer again calls to the attention of the Town another State law which will require Atkinson to comply with the dump regulations. Open dumping and burning will no longer be permitted. Your Health Officer is in favor of a sanitary landfill program, planning for which should start in the very near future, and be implemented before 1975.

Another development of community interest is the establishment of a Regional Health Planning Council. Atkinson is one of nine communities (Atkinson, Plaistow, Salem, Windham, Hampstead, Sandown and Kingston) which make up Region 15 of the State of New Hampshire. This has just been started and should open up some valuable resources to the advantage of all the towns.

Respectfully submitted,

HERBERT Q. HORNE, M. D., Health Officer
ROBERT PERRI, Asst. Health Officer

REPORT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment met on three occasions in 1971 to handle two requests for variances of our zoning laws and one for an appeal of an Executive decision. Decisions were rendered in each of the variance cases and the appeal was referred to the Planning Board.

Respectfully submitted,

C. CARROLL ROCK, Chairman

MERLE ASHFORD
THOMAS J. LUBY, Clerk
RUSSELL BURBANK
DUDLEY B. KILLAM

ATKINSON HOUSING AND REDEVELOPMENT AUTHORITY

During 1971 no referrals were received from the State Industrial Commission. After the defeat of the Article for funds covering roads and fire protection, the State lost interest. The Articles are being submitted for 1972.

A local inquiry was received concerning the use of the Sawyer property for apartments for senior citizens. On referral to the Planning Board, they sought an opinion concerning apartments with the following results. Completely government sponsored apartments cannot be taxed and the use of other sponsored apartments cannot be limited to the use of senior citizens by law. The activity was dropped.

Respectfully submitted,

DAVID T. ADAMS
CHARLES J. MURPHY
RAYMOND J. FOURNIER
FRANK L. PALLARIA, Secretary
ALBERT HABIF, Chairman
HABIB W. HABIB, Selectman ex-officio

ATKINSON RECREATION AND CONSERVATION COMMISSION

During the past year, we had the largest number of children ever participating in our many programs. A summer activity program, including children's theatre and handicrafts, proved very successful and has been scheduled again for this year.

This year, in observance of our 205th anniversary, a more ambitious celebration is planned for Atkinson Day. Through the cooperation of the Road Agent and Selectmen, we have been able to use the recreation area (Pope Road) this winter and many resident families enjoyed ice skating and snowmobiling. This is the first time the area has been open for winter use and due to the interest and enthusiasm shown, we hope to keep the area open year-round.

In our Minor League program, we outfitted three teams and in our budget this year, we have allowed for outfitting a fourth team so that any youngster wanting to play ball may do so. In addition to the Minor League teams, we also have three Little League teams plus two girls' softball teams - all trying to use the same playing field at the rear of the Academy School. The girls received permission to practice and play at the Church parking lot and Minor League games were even held on Sundays.

To alleviate the space problem, which has been evident for two years, the Commission transferred its Planning and Development Fund to begin development of a ball field and parking lot in the Pope Road recreation area. It will be used for Minor League practice and games, and will be large enough to accommodate young adult softball games, as much interest has been shown in this activity. This year, with passage of Article 9, we can complete the area for use this season.

On behalf of the children in the recreation programs, the coaches and assistants and various leaders, we would like to thank the residents for their financial assistance and enthusiastic support.

PAUL B. WOODLOCK
Chairman

ATKINSON GARDEN CLUB

The Atkinson Garden Club had a busy and rewarding year. We want to thank the town for helping us maintain our usual six planting areas. We planned two new areas, one at the Memorial sign at the Congregational Church, the other at the triangle on Maple Avenue where trees have been removed.

Members helped arrange plantings at Timberlane Regional High School where last year's graduation class gave shrubs. Our Christmas tree lighting ceremony, with Santa Claus (James Cornwall) and Patty Caton and her pony cart, was attended by about one hundred children. The choirs led by Mrs. Rocco Sabatino added much to the holiday. Troop 95 Boy Scouts, under the direction of John Rockwell and the volunteer firemen, deserve a thank you for stringing the lights on our tree.

We again resumed our House Lighting Contest with Mrs. Edward Noonan as chairman. Federation judges toured our gaily lit town to make their selections. Mrs. Clarence Birdsall has been member attending the Environmental Committee meetings.

Mrs. Ernest Lampron, as District Chairman, and Mrs. Edward Noonan, membership chairman of the State Garden Club, attended numerous Federation meetings.

MRS. JAMES CARR
President
